COMMUNICATION CONCERNING REPLACEMENT OF
PREVIOUSLY SUBMITTED DOCUMENTS

Mail Stop _____
Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

This submission is being made to correct errors in the file history for the above-identified application.

The undersigned attorney communicated with Supervisory Patent Examiner ("SPE") James Schultz about errors appearing in the appendices attached to four declarations that were submitted in support of the applicants' showing under 37 CFR § 1.608(b). The errors concerned the improper inclusion of social security numbers of various individuals on several pages of the appendices. SPE Schultz agreed to immediately "close" access to these four records on the PAIR system. However, to remove the records from the PTO file history permanently—rather than just "closing" access via PAIR—the undersigned attorney agreed to resubmit the four declarations with their appendices redacted to the extent necessary for removal of birth dates and social security numbers.

Each of the originally filed documents appeared in the electronic (PAIR) records for the above-identified application as a "Rule 130, 131, or 132 Affidavit," bearing an entry date of January 28, 2002. Applicants hereby request **replacement** of the presently "closed" electronic records with the following redacted versions submitted herewith:

- (1) Declaration of Francis Barany under 37 CFR § 1.608(b) (15 pages), with redacted Appendices 1-3 (for a total of 93 pages);

- (2) Declaration of Donald Bergstrom under 37 CFR § 1.608(b) (4 pages), with redacted Appendices 1-3 (for a total of 82 pages);
- (3) Declaration of Gregory W. Siskind under 37 CFR § 1.608(b) (2 pages), with redacted Appendix 1 (for a total of 44 pages); and
- (4) Declaration of Gerald Zon under 37 CFR § 1.608(b) (2 pages) with redacted Appendices 1-3 (for a total of 493 pages).

Consistent with the undersigned attorney's communication with SPE Schultz, it is respectfully requested that the presently "closed" electronic records be purged from the PTO files.

Applicants would also like to note that the enclosed replacement documents were prepared using a printed version of the presently "closed" electronic records on file with the PTO. Thus, each of the declarations bears on its first page an "OIPE" date stamp of January 28, 2002.

Because these printed versions were used to generate the redacted replacement copies, Applicants would also like to point out that the presently "closed" electronic records differ from the documents as originally filed on January 28, 2002. It appears that during the scanning process performed by the PTO, the dividers separating the appendices were removed and the appendices improperly associated among several of the declarations. The presently "closed" electronic records contain the following inaccuracies: the three appendices to the Barany declaration were arranged in the wrong order, the Bergstrom declaration contained only the first of its three appendices, and the second and third appendices from the Bergstrom declaration were improperly associated with the Siskind declaration instead. The enclosed replacement documents **do not** replicate these inaccuracies. In other words, by replacing the now "closed" electronic records with the enclosed replacement documents, the PTO will also correct these errors.

If there are any questions concerning the submission of these **replacement** copies, it is respectfully requested that SPE Schultz contact the undersigned attorney directly.

Respectfully submitted,

Edwin V. Merkel
